Topic

***L.O: to explore an area
of Tudor England***

In our last lesson, we explored the life of Henry V111 and his six wives. This week, we are going to find out what life was like during Tudor times.

You are going to carry out your own research about Tudor England. You may choose an area of the Tudors you would like to research. Here are some ideas to help get you started:

- Tudor Kings and Queens
- Tudor homes
- Tudor jobs and education
- Tudor food (you might like to create a Tudor menu)
- Life as a Tudor child
- Tudor health and medicine
- Tudor crime and punishment

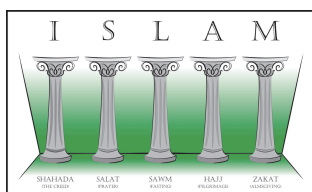

You may choose how you present your research. You might like to create a PowerPoint presentation; create a fact file; design a poster; or you might have a really creative idea of you own. It is up to you!
