A good drying room and cloakroom facility takes care of the outdoor clothing whilst indoors students can relax in a designated lounge area. The dining rooms and kitchens are located on the ground floor and we have on-site chefs preparing fresh meals daily. We also have a small shop offering souvenirs.

## **Accommodation**

We can accommodate up to 60 students plus visiting staff. Bedrooms are located on single sex floors with rooms of varying sizes accommodating 4, 6 or 8 students with rooms and private bathrooms for visiting staff located nearby. The students have access to separate bathrooms with individual cubicle showers, and there are ample single toilet facilities.
