

Bushcraft Writing Challenge

For this week's writing activity, choose from one of the writing genres below and do your writing based on our fantastic Bushcraft trip! We have covered all of these types of writing during Year 4 so test yourself to see if you can remember the main features. You can either hand-write or type your work up.

For inspiration, you'll be able to look at lots of photographs from our visit in the 'Events' section of the school website
